New Orleans Ernest N. Morial Convention Center (MCCNO)

- **The Convention Center provides service ramps** to entrances and elevated areas, automatic doors, an array of passenger elevators, restroom facilities, as well as braille instructions and directional signage at strategic locations throughout the building.
- **Parking for persons with disabilities is offered** in surrounding lots and is available on the first-come, first-served basis. Spaces are marked accordingly, and the number of spaces fluctuates from event to event.
- **Service animals are permitted at MCCNO.** The ADA defines a service animal as any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability. This includes psychiatric service animals that are individually trained to provide service to individuals with psychiatric or neurological disabilities, such as preventing or interrupting impulsive or destructive behaviors. It does not include emotional support or comfort animals. Service animals must be harnessed, leashed or tethered at all times. A guest whose service animal poses a threat to the safety of other guests and employees may be asked to escort the animal off the premises.
