ELIGIBILITY & EXHIBIT SPACE

ELIGIBILITY
Exhibitors must manufacture equipment, components, and parts, or provide services related to the asphalt industry at World of Asphalt 2025 and to the aggregates industry at NSSGA’s AGG1 2025. Specific guidelines have been set for distributors, rental houses, product support providers and auction houses. These guidelines are as follows:

DISTRIBUTORS, RENTAL HOUSES & PRODUCT SUPPORT PROVIDERS
Distributors, rental houses, and product support providers may display their company’s services. They may display product or literature depicting product only if one of the following criteria are met: 1) they have obtained written permission from the exhibiting OEM; or 2) they are the sole U.S. master distributor to a non-U.S. manufacturer.

AUCTION HOUSES
Auction houses can display their services, however, new or used equipment cannot be sold from the company’s exhibit stand. This includes actual product being displayed, online auctions, live auctions or showing a live broadcast from an off-site location. Live auctions are not allowed on the Exposition floor.

REMANUFACTURED AND USED EQUIPMENT
Remanufactured equipment and components may be exhibited by the Original Equipment Manufacturer (OEM) of that product or products for the purpose of showing the role of remanufacturing in the OEM’s business. Exhibitors may not exhibit in their space any used equipment, except: (1.) remanufactured equipment as explained above, and (2.) equipment produced by the exhibiting company that has a historical theme or background.

EXHIBIT SPACE COST AND PAYMENT SCHEDULE
COST OF EXHIBIT SPACE
The cost of exhibit space is based on the desired amount of square footage multiplied by the appropriate rate. The square footage rate is based on the applicant’s membership affiliation and status in NAPA, NSSGA or AEM. The following payment schedule must be followed:
- 50% of total cost of exhibit space due with the submission of the space application and contract.
- 50% balance of exhibit space cost due October 11, 2024.
- Applications received on or after October 12, 2024, must be accompanied by full payment of exhibit space.
- No exhibitor will be permitted to move into their designated space until the exhibit space is paid in full.
- If space is not paid in full by, October 11, 2024, Show Management reserves the right to cancel the space.

**EXHIBITOR PACKAGE PLAN**
The cost of exhibit space includes the following Exhibitor Package Plan, which will reduce the cost to exhibit and add value to your investment:
- Unloading and reloading of all crated shipments from all trucks.
- Delivery of machinery and crates to exhibit stands from marshaling area(s) and pick up of same machinery and crates at the close of the Exposition.
- Handling of inbound and outbound shipments of exhibit materials to the America’s Center or any other exhibit areas used for the Exposition.
- Operators for self-propelled equipment and plywood planking where required.
- Spotting of exhibitor’s machinery or products for the initial installation only as the equipment is delivered to the exhibitor’s stand and provided an exhibitor representative is present during the initial placement.
- Exhibit crate removal, cleating materials, storage and return to exhibit stand at the close of the Exposition.
- Pipe and drape for all standard booths.
- General cleaning of all exhibits including the vacuuming or sweeping of carpet/floor and emptying of wastebaskets before the opening of each Exposition Day.
An exhibitor Marketing Kit will be available for direct mail and email blast purposes through a third-party vendor. Exhibitors will be responsible for postage.

Please note the cost of exhibit space does not include registration badges for exhibiting company personnel. Please review Admission & Show Badge information on page 7 for additional details.

In addition, please note that exhibitors with treaded equipment that require additional floor covering under plywood planks to protect the America’s Center exhibit hall floor will be charged an additional amount for labor and materials.

**STORAGE AND PACKING MATERIALS/CLEAN FLOOR POLICY**

All packing boxes and crates must be stored by the general contractor for the duration of the show. No boxes or crates may be stored behind the exhibitor's back wall according to the America’s Center fire regulations. The storage of these items is included in the space rates. Proper identification tags will be available at the Exhibitor Service Desk. Empty crates and packing boxes should be placed in the aisle in front of your booth by 3:00 pm on March 24. All flammable packing materials such as paper, straw, etc. must be totally enclosed in containers. Materials not complying with these requirements will be considered refuse and disposed of by the cleaners.

**NATURE OF SPACE ASSIGNMENT**

The assignment of space to an exhibitor is not to be construed as a leasing of property. It is merely the granting to the exhibitor of a license to enter upon the designated space for the sole purpose of exhibiting products in conformity with these Rules and Regulations and subject to the terms of certain leases between the America’s Center as lessors, and Show Management, as lessee, for the period of the World of Asphalt and NSSGA’S AGG1 2025 Shows.

**ASSIGNMENT OF EXHIBIT SPACE & PRIORITY FORMULA**

**PRIORITY FORMULA**

The Priority Formula is used in several matters, including the assignment of exhibit space. It is as follows:

- **NAPA, AEM & NSSGA Members**
  - Years of Membership x5
  - Total SF in 2024 show
  - Priority

**DEFINITION OF MEMBERSHIP NUMBER**

Show Management chooses the company/division with the greatest number of membership years in AEM, NAPA or NSSGA. An exhibitor must be a current member in good standing of AEM, NAPA or NSSGA to have its years of membership used in calculating the membership number.

**DEFINITION OF PAST PARTICIPATION NUMBER**

Show Management uses the total square footage purchased by an exhibitor in the 2024 exposition. The total square feet cannot exceed the maximum space sizes (5,000 net square feet in each of World of Asphalt and NSSGA’S AGG1 2024 totaling 10,000 net square feet in both shows). If a company acquired another company(s), the parent company can use the newly acquired company(s) but cannot exceed the maximum space sizes set. Space selection will be based on the above-mentioned priority formula. A 50% deposit for the exhibit space must be received with exhibit application in order for the selected space to be confirmed. Space applications and deposits received after the priority deadline will be assigned on a first-come, first-serve basis.

**EXHIBIT SPACE ASSIGNMENT PROCESS**

Priority assignment for World of Asphalt and NSSGA’S AGG1 exhibitors will take place virtually. Exhibitors who submit their application and deposits by January 19, 2024, will be included in the Priority Assignment process. Any exhibitor who submits an Exhibit Space Application & Contract after January 19, 2024, will be assigned on a first-come, first-serve basis.

Exhibitors in the Priority Assignment Process with over 50 priority points will receive an appointment time to select their space in Spring 2024. Exhibitors with less than 50 priority points will be assigned in priority order by Show Management. Applications received after January 19, 2024, will be assigned on a first-come, first-served basis by Show Management.

Show Management will attempt to accommodate space requests and space dimensions. Show Management reserves the right to reallocate exhibitors during show planning. If all available space has been assigned, a waiting list will be kept. If an opening becomes available, exhibit space will be assigned based on the date the application was received.

**EXHIBIT SPACE SIZE**

Space requests need to be made in 10-foot increments with a minimum requirement of 100 square feet (example: 10x10; 10x20, etc.).
The maximum space size is set in order to create a floor plan that will adhere to fire and safety regulations for St. Louis and the America’s Center. The maximum space size is set to include the parent company and all its divisions and subsidiaries. Companies and their divisions/subsidiaries applying for multiple exhibit spaces still may not exceed the maximum limit set by Show Management for their space totals.

**Maximum Exhibit Space = 6,000 net square feet in each of World of Asphalt and NSSGA’S AGG1 2025 totaling 12,000 net square feet in both shows.**

A space size reduction shall not be required for an exhibitor who acquires another exhibiting company within 6 months (October 15, 2024) prior to the opening of the World of Asphalt 2025 and NSSGA’S AGG1 2025 Shows (March 25, 2025), even if the combined space size of the exhibitor and the acquired exhibitor exceeds the maximum space size stated above.

**REMANUFACTURED & USED EQUIPMENT**

Used equipment is not permitted to exhibit in an attempt for resale by any exhibitor, including the original equipment manufacturer (OEM). The only exception to this rule is if the OEM displays used equipment for an historical theme or background. Remanufactured equipment and components are permitted in the OEM’s exhibit space, only if the OEM offers remanufacturing as a service.

**SUB-LEASING OF EXHIBIT SPACE**

The exhibitor agrees not to reassign, grant, sublease or license the use of space, or any part thereof allotted to them. Exhibitors are not permitted to display separately in their space any equipment, components or products built by non-exhibiting manufacturers or other non-qualifying divisions of exhibiting manufacturers (hereafter “non-exhibiting manufacturers”), unless the space shared is with a member in good standing with NAPA, NSSGA or AEM.

If a component made by a non-exhibiting manufacturer is normally furnished as an integral part of the equipment being exhibited, the exhibitor of the equipment may include the component but cannot call any special attention to it. If equipment made by a non-exhibiting manufacturer is normally furnished as an integral part of the component being exhibited, the exhibitor of the component may include the equipment but cannot call special attention to it. In either case, the exhibitor shall pay the non-member space rate for that portion of the exhibit space occupied by the non-exhibiting manufacturer’s product, except if the non-exhibiting manufacturer’s equipment product occupies 50% or more of the exhibit space, then the non-member space rate will be charged for the entire exhibit space.

**SHARED EXHIBIT SPACE**

Exhibitors must notify Show Management of their intent to share their allocated space. If an exhibitor does not notify Show Management, Show Management will take action described under the “Penalties for Violation of Exhibition Rules” section. **One exhibiting company name listing is included in the exhibit space costs. If additional listings are requested, a fee of $500 will be applied for each additional listing.**

**EXHIBITS**

Exhibits are permitted only in the official exhibit areas of the World of Asphalt 2025 and NSSGA’S AGG1 2025 Shows.

**NO HOTEL EXHIBITS**

St. Louis hotels have entered into signed agreements with Show Management not to rent or assign any public space or sleeping rooms for exhibit purposes at any time during the official Exhibition days of World of Asphalt and AGG1 2025; nor permit the use of any public space or sleeping rooms for entertainment purposes or press conferences during Exhibition hours.

**NO OTHER EXHIBITS OR DEMONSTRATIONS**

World of Asphalt and NSSGA’S AGG1 2025 exhibitors or their dealers or distributors will not exhibit or participate in any exhibit or demo within 150 miles of the America’s Center during the Official Exposition Period, installation or dismantle days.

**SPACE REDUCTION POLICY**

- Any company decreasing its space before October 11, 2024 must still pay at least the 50% deposit of the original space, regardless of the new space cost. If the new space cost is less than the original 50% deposit, the exhibitor will not be refunded the difference between the new space cost and the original 50% deposit. Overpayments beyond the 50% will be refunded if the reduction occurs before October 11, 2024.
- Any company reducing its space on or after October 11, 2024, will receive **no refunds.**

**CANCELLATION POLICY**

*Any notice of cancellation of exhibit space by an exhibitor must be made in writing to your Account Success Advisor. This cancellation policy does not depend upon whether the exhibit space is resold or re-assigned.*

- At no time will the deposit (50% of space cost) be refunded to an exhibitor canceling its space.
- Any company canceling its exhibit space before October 11, 2024 automatically loses the initial 50% deposit. The remaining balance paid to World of Asphalt or NSSGA’S AGG1 will be refunded.
- Any company canceling its exhibit space on or after October 11, 2024 will not receive any refund due to the late date in which Show Management was informed of the cancellation.

EXHIBITOR PROPERTY SOLD
If an Exhibitor’s property/organization changes management or is bought by another company, the booth space becomes the asset of the new exhibiting company.

**EXHIBITOR APPOINTED CONTRACTOR (EAC) REGISTRATION**

An Exhibitor Appointed Contractor (EAC) is any company other than the designated official contractors that provides services such as display installation and dismantling, models, florists, photographers, audio visual firms, etc. and needs access to an exhibitor’s space any time during installation, Exhibition dates or dismantling.

EACs who need access to exhibits during the installation or dismantling periods on non-Exhibition days need an Install & Dismantle Badge for admittance. This will assist in maintaining security and keeping unwarranted personnel out of the exhibit halls. No one will be admitted to the exhibit areas without an installation & dismantle badge or exhibitor show badge during non-Exhibition days.

Show Management will have a list of all approved exhibitors and EACs. Proof of identification and company affiliation will be required to pick-up installation and/or dismantling badges. Official exhibitor show badges can be used in lieu of a pass for entrance to the exhibit areas. See Exhibitor Appointed Contractors section for more information.

**INSTALLATION & DISMANTLE BADGE**

Exhibitors, their employees, and all non-official contractors will be required to wear Installation and Dismantle Badges (I&D) or exhibitor staff badges throughout the installation/dismantling periods of the Exhibition and Exhibition badges during Official Exhibition Days. This will assist in maintaining security and keeping unwarranted personnel out of the exhibit halls. All exhibit staff or I&D badges can be picked up onsite in the registration area.

**CANCELLATIONS, SUBSTITUTIONS & REFUNDS**

- Show Badge/Entrance to exhibits and education sessions purchases are non-refundable. Name substitutions are allowed through February 26, 2025.
- Lost or misplaced badges will be charged the amount originally paid for replacement.

**CHILDREN**

Under no circumstances will children under 18 years of age be permitted on-site during the installation and dismantling periods. During Exposition hours, children under 18 years of age will be allowed in the Exposition only under the supervision of an adult who is also registered to attend the Exposition. Children younger than 18 years of age must register for identification purposes.

**EXHIBITOR ADMITTANCE DURING NON-EXPOSITION HOURS**

**INSTALLATION & DISMANTLING PERIODS**

During the installation and dismantling periods, only Show Management and their official agents, exhibitors and contractors appointed by exhibitors will be allowed on the exhibit floor. Exhibitors and their employees are allowed to enter the exhibit area during installation only if they are part of the crew assembling the exhibit area and are identified with Exhibitor badges or installation badges passes obtained from Show Management. Show Management shall produce all installation and dismantle badges and exhibitor badges. Exhibitor personnel will be required to wear Exhibitor badges or installation and dismantle badges throughout the installation/dismantling periods of the Exposition and during Official Exposition Days. Individuals such as Exhibitor Appointed Contractors who are involved with the installation and dismantling but not attending the show will be required to wear installation and dismantle badges obtained from Show Management. This will assist in maintaining security and keeping unwarranted persons out of the exhibit hall.

**PRE- & POST-SHOW-HOUR FUNCTIONS**

Attendee registration badges will not provide access to the exhibit areas during non-Exhibition hours. Exhibitors who want dealers or customers in their exhibit space before or after Exhibition hours must receive advanced written permission from Show Management. Permission will be valid for the period of only two hours prior to the opening of the Exhibition and two hours after the closing of the Exhibition. See In-Booth Events form in the Exhibitor Service Manual for more information.

**PHOTOGRAPHS & VIDEOS**

Any exhibitor can prohibit the taking of still or moving photographs or videos within their exhibit either completely or selectively. Attendees will not be allowed to take photos and/or videos during the installation or dismantling periods without permission from the exhibitor. Attendees will be allowed to take photographs from the aisle during the hours of the Exposition.

An Exhibitor Appointed Contractor (EAC) is any company other than the designated official contractors that provide services such as display installation and dismantling, models, florists, photographers, audio visual firms, etc. and need access to your exhibit any time during installation, Exposition dates or dismantling.

RULES & REGULATIONS

If the exhibitor wishes to use an independent contractor, the following rules and regulations must be adhered to by the exhibitor and the independent contractor. THESE RULES WILL BE STRICTLY ENFORCED. Failure to comply with these regulations will result in refusal or loss of authorization to perform services and immediate removal from the Exhibit site. The exhibitor must complete the Exhibitor Appointed Contractor request form in the Exhibitor Services Manual. Also, the exhibitor must inform whether this contractor is authorized to order Exposition services on the exhibitor’s behalf.

• Exhibitors must submit a Non-Official Contractor form for all EAC working on their behalf no later than February 22, 2025.
• Exhibitors must submit an EAC registration form for all EACs working on their behalf by February 22, 2025.
• The EAC shall refrain from placing an undue burden on the Official Contractors by interfering, in any way, with the official contractor’s work.
• The EAC will not solicit business on the Exposition floor during any of the overall days of the exhibition, including installation, Exposition dates and dismantling.
• The EAC is responsible for adhering to all rules and regulations requiring badging.
• If the EAC, in any way, disrupts the orderly conduct of business by any of the official contractors, or impairs the smooth installation and dismantling of the exhibition, the EAC will immediately cease such disruption or be removed from the exhibition site. Show Management will have the final decision in such instances.
• EAC who provide installation and dismantling services will be sent the proper information from the Exhibitor Services Manual upon receipt of request by the authorizing exhibitor.

In performing work for their clients, the EAC shall cooperate fully with the Official Contractors and shall comply with existing labor regulations or contracts as determined by the commitments made and obligations assumed by Show Management in any contracts with the Official Contractors. Failure to comply with these regulations will result in refusal or loss of authorization to perform services and immediate removal from the Exhibit site.

Exhibition Management must receive the Certificate of Insurance no later than 30 days prior to the commencement of installation.
SERVICES EAC CAN PROVIDE
Exhibitor appointed contractor services will be limited to the installation, dismantle, and preparation of “display” materials only. Labor and/or services for the installation and dismantling of “products” to be displayed by exhibitors must be contracted from the Official Contractor designated by Show Management for that service.

The Official Contractor will handle the use of power washers to clean equipment. The use of power sprayers or spray paint to touch up equipment and tires will only be allowed in designated areas in the marshaling and assembly areas. Exhibitors can hand wipe, buff, or touch up paint (with brushes) their own equipment and display pieces within the exhibitor’s assigned exhibit space. Spray painting is not permitted inside the exhibit hall.

WORK RULES: EXHIBIT INSTALLATION, OPERATION AND DISMANTLING
All work involved in the erection and dismantling of exhibits or the movement of freight in the America’s Center is under the official contractor’s jurisdiction. Exhibitors are expected to comply with the official contractor’s union requirements in effect at the America’s Center.

In the interest of the exhibitors, Show Management has selected certain firms as official contractors for such services as handling of exhibit shipments, rental of furniture and other stand equipment, decorations, signs, flowers etc. All service contractors selected by Show Management employ appropriate union personnel. Exhibitors must use the official contractor or facility appointed exclusive service provider for drayage, rigging, electrical, plumbing, custom cleaning (please refer to the Exhibitor Appointed Contractors section of the rules for details) and food service.

For other services, exhibitors desiring to use contractors other than those officially appointed by Show Management or appointed by the America’s Center, should refer to the Exhibitor Appointed Contractors/Independent Service Contractors section.

GRATUITIES TO EXHIBIT LABOR
Show Management and official show contractors have established a strict “no tipping” rule. Exhibitors must observe this rule during the entire period of the show, from the commencement of installation until the completion of dismantling. This rule provides that no exhibitor, or representative of an exhibitor, may give any amount of gratuities, tips or gifts of any kind to workers, foremen or anyone else connected with the hauling of equipment or setting up or removal of the exhibit for any reason whatsoever. Any infractions should be reported to Show Management. The official show contractor has agreed to refuse acceptance of any time card to which a tip has been added. There will be no gratuities included on any drayage invoices.

Any exhibitor who pays gratuities to labor is acting not only against their own interest, but against the interest of the Exposition. Any exhibitor who is solicited for a gratuity should report such solicitation immediately either to Show Management or to an official with the official contractor.

Exposition Installation, Exposition Days and Dismantling:

1. An exhibitor should contact Show Management if there are any questions concerning the procedures for identifying and handling violations of the Exposition Rules and Regulations.
2. Show Management will routinely inspect the exhibit floor during Exposition installation, Exposition days and dismantling. Their duty will be to assist in the interpretation and enforcement of the rules. Show Management will have the final decision concerning all Exposition rules.
3. Upon discovery of a violation of the Exposition Rules in an exhibit, Show Management will issue a written notice to the exhibitor representatives in the exhibit and explain the nature of the violation.
4. The violation must be corrected: (a) immediately, if the violation poses a safety hazard, (b) by 9:00 am, on March 25, 2025, if the violation occurs during Exposition installation, or (c) before the opening of the next Exposition day, if the violation occurs during Exposition days. (If the exhibit in violation is unoccupied, Show Management will alert the representatives of the exhibit.)

6. An exhibitor receiving notice of a violation will have its exhibit re-inspected by Show Management.
7. If the inspection reveals that the violation has not been corrected or if the same violation is found at any time after the first violation, a second notice will be given and the procedure noted above for the first violation will be repeated.
8. Failure to correct a violation immediately in the case of ineligible equipment, (item 5 listed above) or after the second notice in the case of other violations, or a third occurrence of the same violation, will result in a penalty being administered by Show Management in accordance with the Exposition Rules and Regulations listed below.
9. An exhibitor wishing to appeal a violation notice must do so by contacting Show Management within the time allowed on the written notice to correct the violation.
