ELIGIBILITY & EXHIBIT SPACE

ELIGIBILITY

Exhibitors must manufacture equipment, components, and parts, or provide services related to the asphalt industry at World of Asphalt 2022 and to the aggregates industry at NSSGA's AGG1 2022. Specific guidelines have been set for distributors, rental houses, product support providers and auction houses. These guidelines are as follows:

DISTRIBUTORS, RENTAL HOUSES & PRODUCT SUPPORT PROVIDERS

Distributors, rental houses, and product support providers may display their company's services. They may display product or literature depicting product only if one of the following criteria are met: 1) they have obtained written permission from the exhibiting OEM; or 2) they are the sole U.S. master distributor to a non-U.S. manufacturer.

AUCTION HOUSES

Auction houses can display their services, however, new or used equipment cannot be sold from the company's exhibit stand. This includes actual product being displayed, online auctions, live auctions or showing a live broadcast from an off site location. Live auctions are not allowed on the Exposition floor.

REMANUFACTURED AND USED EQUIPMENT

Remanufactured equipment and components may be exhibited by the Original Equipment Manufacturer (OEM) of that product or products for the purpose of showing the role of remanufacturing in the OEM's business. Exhibitors may not exhibit in their space any used equipment, except: (1.) remanufactured equipment as explained above, and (2.) equipment produced by the exhibiting company that has a historical theme or background.

EXHIBIT SPACE COST AND PAYMENT SCHEDULE

COST OF EXHIBIT SPACE

The cost of exhibit space is based on the desired amount of square footage multiplied by the appropriate rate. The square footage rate is based on the applicant's membership affiliation and status in NAPA, NSSGA or AEM. To be eligible for member prices, applicants must be a NAPA, NSSGA or AEM member in good standing as of January 1, 2022 as indicated below.

The rate structure for World of Asphalt and NSSGA'S AGG1 2022 is as follows:

AFFILIATION	INDOOR
Member of NAPA, NSSGA or AEM	\$22.40/SF
Nonmember	\$34.65/SF

If your company is exhibiting in both shows in a shared stand, you qualify for the member rate if you are member of NAPA, NSSGA or AEM.

- Applications received on or after October 16, 2021 must be accompanied by full payment of exhibit space.
- No exhibitor will be permitted to move into their designated space until the exhibit space is paid in full.
- If space is not paid in full by **October 15, 2021** Show Management reserves the right to cancel the space.

EXHIBITOR PACKAGE PLAN

The cost of exhibit space includes the following Exhibitor Package Plan, which will reduce the cost to exhibit and add value to your investment:

- Unloading and reloading of all crated shipments from all trucks.
- Delivery of machinery and crates to exhibit stands from marshaling area(s) and pick up of same machinery and crates at the close of the Exposition.
- Handling of inbound and outbound shipments of exhibit materials to the Music City Center or any other exhibit areas used for the Exposition.
- Operators for self-propelled equipment and plywood planking where required.
- Spotting of exhibitor's machinery or products for the initial installation only as the equipment is delivered to the exhibitor's stand and provided an exhibitor representative is present during the initial placement.
- Exhibit crate removal, cleaning materials, storage and return to exhibit stand at the close of the Exposition.
- Pipe and drape for all standard booths.
- General cleaning of all exhibits including the vacuuming or sweeping of carpet/floor and emptying of wastebaskets before the opening of each Exposition day.
- An exhibitor Marketing Kit will be available for direct mail and email blast purposes through a third-party vendor. Exhibitors will be responsible for postage.

Please note the cost of exhibit space does not include registration badges for exhibiting company personnel. Please review Admission & Show Badge information on page 7 for additional details.

In addition, please note that exhibitors with treaded equipment that require additional floor covering under plywood planks to protect the Music City Center exhibit hall floor will be charged an additional amount for labor and materials.

STORAGE AND PACKING MATERIALS/CLEAN FLOOR POLICY

All packing boxes and crates must be stored by the general contractor for the duration of the show. No boxes or crates may be stored behind the exhibitor's back wall according to the Music City Center fire regulations. The storage of these items is included in the space rates. Proper identification tags will be available at the Exhibitor Service Desk. **Empty crates and packing boxes should be placed in the aisle in front of your booth by 3:00 pm on March 28.** All flammable packing materials such as paper, straw, etc. must be totally enclosed in containers. Materials not complying with these requirements will be considered refuse and disposed of by the cleaners.

NATURE OF SPACE ASSIGNMENT

The assignment of space to an exhibitor is not to be construed as a leasing of property. It is merely the granting to the exhibitor of a license to enter upon the designated space for the sole purpose of exhibiting products in conformity with these Rules and Regulations and subject to the terms of certain leases between the Music City Center as lessors, and Show Management, as lessee, for the period of the World of Asphalt and NSSGA'S AGG1 2022 Shows.

ASSIGNMENT OF EXHIBIT SPACE

PRIORITY FORMULA

The Priority Formula is used in the assignment of exhibit space. Priority assignment for World of Asphalt and NSSGA'S AGG1 exhibitors will take place virtually. Exhibitors who submit their application by March 1, 2021 will be included in the Priority Assignment process. Any exhibitor who submits an Exhibit Space Application & Contract after March 2, 2021 will be assigned on a first-come; first-serve basis. **Exhibitors who contracted to exhibit for the 2021 event and made the choice by December 4, 2020 to transfer their contract and deposit to the 2022 event will select their space in advance of the Priority Assignment Process.**

The Priority Point Formula is as follows:

NAPA, AEM & NSSGA Members

DEFINITION OF MEMBERSHIP NUMBER

Show Management chooses the company/division with the greatest number of membership years in AEM, NAPA or NSSGA. An exhibitor must be a current member in good standing of AEM, NAPA or NSSGA to have its years of membership used in calculating the membership number.

DEFINITION OF PAST PARTICIPATION NUMBER

Show Management uses the total square footage purchased by an exhibitor in the 2019 exposition. The total square feet cannot exceed the maximum space sizes (6,000 net square feet in each of World of Asphalt and NSSGA'S AGG1 2019 totaling 12,000 net square feet in both shows). If a company acquired another company(s), the parent company can use the newly acquired company(s) but cannot exceed the maximum space sizes set. Space selection will be based on the above mentioned priority formula. A 50% deposit for the exhibit space must be received with exhibit application in order for the selected space to be confirmed. Space applications and deposits received after the priority deadline will be assigned on a first-come, first-serve basis.

EXHIBIT SPACE SIZE

The maximum space size is set in order to create a floor plan that will adhere to fire and safety regulations for Nashville and the Music City Center. The maximum space size is set to include the parent company and all of its divisions and subsidiaries. Companies and their divisions/subsidiaries applying for multiple exhibit spaces still may not exceed the maximum limit set by Show Management for their space totals.

Maximum Exhibit Space = 6,000 net square feet in each of World of Asphalt and NSSGA'S AGG1 2022 totaling 12,000 net square feet in both shows.

A space size reduction shall not be required for an exhibitor who acquires another exhibiting company within 6 months (October 15, 2021) prior to the opening of the World of Asphalt 2022 and NSSGA'S AGG1 2022 Shows (March 28, 2022), even if the combined space size of the exhibitor and the acquired exhibitor exceeds the maximum space size stated above.

SUB-LEASING OF EXHIBIT SPACE

The exhibitor agrees not to reassign, grant, sublease or license the use of space, or any part thereof allotted to them. Exhibitors are not permitted to display separately in their space any equipment, components or products built by non-exhibiting manufacturers or other non-qualifying divisions of exhibiting manufacturers (hereafter "non-exhibiting manufacturers"), unless the space shared is with a member in good standing with NAPA, NSSGA or AEM.

If a component made by a non-exhibiting manufacturer is normally furnished as an integral part of the equipment being exhibited, the exhibitor of the equipment may include the component but cannot call any special attention to it. If equipment made by a non-exhibiting manufacturer is normally furnished as an integral part of the component being exhibited, the exhibitor of the component may include the equipment but cannot call special attention to it. In either case, the exhibitor shall pay the non-member space rate for that portion of the exhibit space occupied by the non-exhibiting manufacturer's product, except if the non-exhibiting manufacturer's equipment product occupies 50% or more of the exhibit space, then the non-member space rate will be charged for the entire exhibit space.

SHARED EXHIBIT SPACE

Exhibitors must notify Show Management of their intent to share their allocated space. If an exhibitor does not notify Show Management, Show Management will take action described under the "**Penalties for Violation of Exposition Rules**" section.

EXHIBITS

Exhibits are permitted only in the official exhibit areas of the World of Asphalt 2022 and NSSGA'S AGG1 2022 Shows.

NO OTHER EXHIBITS OR DEMONSTRATIONS

World of Asphalt and NSSGA'S AGG1 2022 exhibitors or their dealers or distributors will not exhibit or participate in any exhibit or demo within 150 miles of the Music City Center during the Official Exposition Period.

NO HOTEL EXHIBITS

Show Management will not permit exhibitors to do the following: (1.) rent or assign any public space, or sleeping rooms for exhibit purposes at any time during the Official Exposition Period; nor (2.) permit the use of any public space, or sleeping rooms for entertainment purposes or press conferences during the hours of the Official Exposition Period.

SPACE REDUCTION POLICY

- Any company decreasing its space before October 15, 2021 must still pay at least the 50% deposit of the original space, regardless of the new space cost. If the new space cost is less than the original 50% deposit, the exhibitor will not be refunded the difference between the new space cost and the original 50% deposit. Overpayments beyond the 50% will be refunded if the reduction occurs before October 16, 2021.
- Any company reducing its space on or after October 16, 2021 will receive no refunds.

CANCELLATION POLICY

Any notice of cancellation of exhibit space by an exhibitor must be made in writing to your Account Success Advisor. This cancellation policy does not depend upon whether the exhibit space is resold or re-assigned.

- At no time will the deposit (50% of space cost) be refunded to an exhibitor canceling its space.
- Any company canceling its exhibit space before October 15, 2021 automatically loses the initial 50% deposit. The remaining balance paid to World of Asphalt or NSSGA'S AGG1 will be refunded.
- Any company canceling its exhibit space on or after October 16, 2021 will not receive any refund due to the late date in which Show Management was informed of the cancellation.
